

Customer Onboarding Checklist

The 4-week rollout plan — from kickoff to first live payroll.

Week 1 — Foundation

- Confirm the tenant, plan tier and admin accounts
- Enable 2FA policy and review security settings
- Import the employee register (grades, salaries, bank, NASSIT numbers)
- Define departments / ministries and branches with supervisors
- Invite HR officers and payroll officers; grant Finance/MoF flags deliberately

Week 2 — Configuration

- Verify NRA PAYE bands and NASSIT rates for the tenant
- Configure allowance rules and (Gov) grade & step structure
- Set budget codes and period allocations (Gov)
- Connect SMS (Twilio) and email integrations
- Assign employees to branches; set the multi-sig MoF threshold

Week 3 — Dry run

- Run a payroll PREVIEW and reconcile against the last manual payroll
- Generate test payslips and one bank file; verify formats with the bank
- Create one test voucher through the full approval chain
- All staff watch their role's training video and pass the quiz

Week 4 — Go live

- Freeze legacy spreadsheets; announce the cut-over date
- Run the first live payroll with finance witnessing the approval chain
- Send payslip SMS / publish self-service access to all employees
- File the first NRA PAYE return and NASSIT schedule from the system
- Review the audit log and hold a 30-minute retrospective
